1. Preamble

The work of the First United Methodist Church of San Diego (“First Church San Diego” or “First Church”) is to build a Christian community according to the Wesleyan model of the church. Our church is rooted in the teachings of Jesus and seeks to live by the power of the Holy Spirit as the indwelling presence of God in the Body of Christ. These Guiding Principles will equip church leadership to achieve their objectives.

2. Mission Principles

These Mission Principles define WHAT the church is to be doing (mission) and the BEHAVIORS the church exhibits (vision) while following God’s call. These statements ground the church in its pursuit of fruitful results.

2.1. Mission Statement

First Church embraces as its mission the stated mission of the United Methodist Church: “to make disciples of Jesus Christ for the transformation of the world.” (UM Book of Discipline, 2016)

2.2. Vision Statement

First Church is a movement of Spirit-led people who are **growing in the grace of God** and **reaching out with the love of Jesus Christ**.

2.3. Mission Principle

First Church creates local, regional, and global faith connections that inspire relationships with Christ and others. In partnership with the Holy Spirit, these communities seek to redeem the brokenness of God’s world.

2.4. Statement of Inclusivity

First Church welcomes all people who seek the love of God without regard to ability, age, color, economic circumstance, ethnic background, family configuration, gender identity, nationality, or sexual orientation. We promise to search for the presence of Christ in all persons, to strive for justice and peace among all people, and respect the dignity of every human being.

2.5. Vision & Values Articulation

The vision and values detail what the congregation will look like when it operates effectively and lives into its stated mission.

As one church, at multiple sites, and in many congregations, we celebrate the diversity of God's people within the larger, bi-national region of which we are a part. Worshiping in ways that are authentic to each context, we will proclaim the good news and celebrate the sacraments, while opening ourselves to the blessings that all people are prepared to share. Living together in relationships of accountable discipleship, we will serve our many communities through acts of devotion, worship, compassion and justice. To support one another in these acts, we will organize our ministries and align our abundant resources: properties, facilities, finances, staff and communications.

3. Boundary Principles

The Pastoral Team shall not cause or allow any practice, activity, decision, or organizational circumstance which is unlawful, imprudent, unethical, or unBiblical.

3.1. Biblical Integrity

The Church Council has vested the Lead Pastor as the chief theologian and interpreter of the Bible for our congregation. Believing that scripture is God-breathed, the Lead Pastor shall seek to fulfill Biblical mandates and sacramental imperatives. The Lead Pastor shall not violate Biblical principles, nor allow staff to do so, and will be held accountable to these responsibilities by the Church Council.

Biblical integrity leads us to invite everyone in the life of the church to commit to concrete acts of worship, devotion, compassion and justice. To facilitate this commitment in ourselves and others, we encourage all to participate in the accountable discipline of small group spiritual growth; to share their own personal story of following Jesus; and to give of their financial resources in support of the mission of the church.

FC members will serve for 3 years. After the 3 years have ended,

members must have a minimum of one-year retirement before going through the nominating committee process. (§258)

3.1.4.1.3 Financial—Budget Formation

The budget development process is an ongoing process managed by the Pastoral Team, in conjunction with the Controller/Business Manager and appropriate church staff. Budgeted expenses and budgeted revenues are tallied in concert with the FC to bring a recommended budget to the Church Council for approval.

The expense side of the annual budget consists of three major portions: ministry expenses (including apportionments), staff compensation, and facility expenses (both fixed and variable). The ministry expenses are developed by the church staff under the leadership of the Controller/Business Manager. The Administrative Staff, in cooperation with the BOT, are responsible for developing the campus fixed and variable operating expenses. Likewise, the PPRC (for clergy) and Controller/Business Manager are responsible for developing the annual budget for the church staff.

The establishment of budgeted revenue begins at the completion of the Stewardship Campaign. The FC will make objective judgements regarding pledges that are significantly different from actual giving in years past. The subjective means of analyzing the pledges requires a confidential assessment from the church staff (primarily the Lead Pastor and the Controller/Business Manager), who have personal knowledge of the congregational members making the pledges. In instances where church staff may be aware of personal or financial reasons as to why a particular pledge may not be fully realized during the course of the fiscal year, the FC may accept recommendations from the church staff to adjust all or a portion of the pledge in the income assessment.

Similar objective and subjective assessments are made against each of the current giving units. Record of giving units are defined as congregation members or families that give regularly, but do not make annual pledges at the conclusion of the Stewardship Campaign. While the assessments of pledging units and record of giving units are similar, they are treated separately. The record of giving units are assessed more conservatively.

Once a full assessment of the pledge and record of giving units has been performed, other sources of income are considered. Once all the income categories have been assessed, the total income for the year is tallied against expenses, and a budget is prepared by the FC for Church Council consideration.

Budget Management

The FC has the responsibility to maintain the budget throughout the year and make budget adjustment recommendations as necessary to ensure a balanced budget at the end of the fiscal year. The budget is reviewed monthly, prior to and during the FC meeting.

If adjustments to ministry expenses are required, the FC will provide the necessary reduction amount to the Church Council Leadership Team, and the Leadership Team will determine from which portions of the budget these reductions will be applied. If adjustment to ministry expenses are necessary, the Pastoral Team, in conjunction with the Controller/Business Manager, will bring appropriate recommendations. If the Church Council Leadership Team recommends that reductions to pastoral staffing budget are necessary, the Leadership Team will provide the amount of the reductions necessary to the PPRC. For recommended adjustments to expenses that fall within the expense domain of the BOT, the Board will make specific recommendations to realize the necessary expense reductions.

The budget development process is an ongoing process managed by the Pastoral Team, in conjunction with the Controller/Business Manager and appropriate church staff. Budgeted expenses and budgeted revenues are tallied in concert with the FC to bring a recommended budget to the Church Council for approval.

The Controller/Business Manager may function as the Treasurer.

The expense side of the annual budget consists of three major portions: ministry expenses (including apportionments), staff compensation, and facility expenses (both fixed and variable). The ministry expenses are developed by the church staff under the leadership of the Controller/Business Manager. The Administrative Staff, in cooperation with the BOT, are responsible for developing the campus fixed and variable operating expenses. Likewise, the PPRC (for clergy) and Controller/Business Manager are responsible for developing the annual budget for the church staff.

The FC will make objective judgements regarding pledges and record of giving units and other sources of income are considered. Once all the income categories have been assessed, the total income for the year is tallied against expenses, and a budget is prepared by the FC for Church Council consideration.

3.2. Recognition of Exceeded Boundary Principle

The Pastoral Team or any member of the Church Council Leadership Team shall give an immediate notice to the Chairperson of the Church Council if any Boundary Principles have been recognized to be exceeded. The Chairperson of the Church Council will inform the members of the Church Council and/or the PPRC depending on the level of confidentiality needed.

The Lay Leaders will embrace and encourage concrete actions of Worship, Devotion, Compassion and Justice. Lay Leaders will encourage and support the ministry of the pastors or staff. As members of the PPRC, the function of the Lay Leader is to understand and assess the effective achievement of assigned ministry goals to the pastoral staff.

Pastoral Team Responsibilities

The Pastoral Team has the responsibility, the authority, and the accountability to serve as the primary leader of the Church at every level.

1. The Pastoral Team will consist of those pastors who have been appointed to the church by the Resident Bishop of the Annual Conference and those approved by the Church Council.

4.2.1. Accountability Systems

The Church Council's official connection to the operating organization of the church as well as to the church's achievement and conduct will be through the Pastoral Team.

Unity of Council

Only decisions of the Church Council or PPRC, acting, are binding on the Pastoral Team. These decisions must be in writing as part of the minutes of a Church Council or PPRC meeting or as a letter from the Chairperson of the Church Council.

The Lead Pastor or Pastoral Team and Church Council will discuss differences of opinion regarding direction and management of the church during normal Council sessions as part of their commitment to Holy Conferencing.

Accountability of Pastoral Team

The authority and accountability of staff is under the authority and accountability of the Lead Pastor. The Lead Pastor will keep the Church Council informed on the achievement of all goals and objectives set in place by the Council.

Performance of Pastoral Team

The Pastoral Team's job performance will be assessed by the PPRC using the expected achievement of Pastoral Team goals, the Church's accomplishment of the Mission Principles, and the Church's operation within the Guiding Principles.

Goal-Setting Process for Pastoral Team

The Pastoral Team will write measurable goals each year which correspond to each of the Church Council's mission principles. At least one of these goals for each mission principle must project growth in the number of people who benefit or participate.

1. The goals written by the Pastoral Team will be distributed to each member of the Church Council at least two weeks before the final Church Council Meeting of the church year.
2. The goals will be reviewed by the Church Council at that meeting, adjusted if necessary, and approved by the Church Council.

Periodic Goal Review of the Pastoral Team

The PPRC will provide periodic review of the Pastoral Team's annual goals. Modification of the goals may occur as the result of unforeseen events outside the control of the Pastoral Team and will be reviewed by the PPRC and approved by the Church Council.

Annual Review of Pastoral Team

Each year the PPRC will review the results achieved by the Pastoral Team on each of the annual goals. A merit raise, cost of living raise, corrective action, or request of the Bishop for a new pastoral appointment will be based on these results.

Guiding Principles Review

Guiding Principles are to be active and dynamic. They are to be reviewed, changed, and defined as needed by the Church Council. There shall be an annual review of all Guiding Principles with an emphasis on how any given Guiding Principle affects the ministry and mission of the congregation. Any changes to the Guiding Principles document will be proposed by the Church Council and ratified by the Church/Charge Conference. The Church Council shall distribute any and all proposed changes to the Guiding Principles to the entire church no less than 30 days prior to the Church/Charge Conference at which they are to be considered.
